Re: Council Requests

The following requests submitted for the April 3, 2018 Council Meeting, please accept this email as a follow up to that communication.

Councilor Sheila Tyson

The shooting Sunday night at the Cotton Ave apartments across from Arlington house. There's some damaged windows on the Tuscaloosa side and a damaged car on the Cotton Ave side. Residents are saying one of the guys ran behind one of the buildings. He came from the divided street north of Tuscaloosa. It's across from my "B" building. It's usually fairly quiet.

Any update?

Shooting near Loveman Village over the weekend. Any update?

Road is full of potholes at 10th Ave. and 6th St. South. And also at 9th Court and 6th St. South. In the Glen Iris neighborhood area.

Due to the number of dilapidated homes in the Powderly area, some homeowners are dealing with being dropped by their insurance companies.
